

What is iCalendar?

iCalendar (or iCal for short) is a computer format supported by lots of products including Google Calendar and most phone calendar apps. If you'd like to get all of the trip dates in your calendar then click on iCalendar link and your phone, tablet or PC will guide you through the rest of the process.

E.g.

The screenshot shows the website diveclub.co.uk. Under the 'Links' section, there is a list of items: Robin Hood Watersports, Divemaster Insurance, Club Newsletter, Dive Calendar on Google, Dive iCalendar, and Useful advice about fitness to dive. A red arrow points to the 'Dive iCalendar' link with the text 'Click Here'. Below the links is a large black download icon. Under the 'Downloads' section, there are social media icons for Facebook, Twitter, and Google+.

The screenshot shows an iPhone calendar app interface. At the top, it says 'Done', '79 Events', and 'Add (66)'. A red arrow points to the 'Add (66)' button with the text 'Click Here'. Below this, there is a list of events: 'all-day South Shields Weekend, ...', 'all-day Scapa Flow Week, 11th - 1...', 'all-day Oban Liveaboard Long W...', 'all-day Farnes Weekend, 8th & 9t...', 'all-day Weymouth Long Weeken...', 'all-day Eyemouth Weekend, 22n...', and 'all-day Farne Islands Day Trip, 13...'. Each event entry includes the location, such as 'South Shields, UK', 'Oban, UK', 'Seahouses, UK', and 'Weymouth, UK'.
